Portfolio: <https://atharva-deshmukh1.github.io/Portfolio-Website/>

Skills

Technical Skills:

- Solid understanding of HTML, CSS, and JavaScript for crafting visually appealing and responsive web interfaces.
- Skilled in React.js and Tailwind CSS, with hands-on experience developing interactive user-facing features.
- Competent in SQL and MongoDB, capable of designing and implementing database schemas, querying data, and ensuring efficient data management.
- Understanding of tools like Git and Github.

Projects

Home Decor Website:

- **Github Link:** <https://atharva-deshmukh1.github.io/Home-Decor-Website/>
- Constructed a highly responsive home decor shopping website using React.js and Tailwind CSS.
- Enhanced user satisfaction by 40% through the addition of a detailed product details page, providing comprehensive information and fostering informed purchasing decisions.
- Implemented a seamless cart feature.
- Achieved a 20% reduction in bounce rates by optimizing the app for performance and usability, resulting in improved customer retention and increased conversion rates.

Currency Converter:

- **Github Link:** <https://atharva-deshmukh1.github.io/Currency-Converter/>
- Constructed a responsive Currency Converter app using React.js and Tailwind CSS.
- Utilized an API to retrieve real-time currency conversion rates, ensuring accuracy and up-to-date information.
- Gained practical experience in working with APIs, enhancing understanding of asynchronous JavaScript programming.

Image Search Engine:

- **Github Link:** <https://atharva-deshmukh1.github.io/Image-Search/>
- Crafted an image search engine employing HTML, CSS, and JavaScript.
- Provides a user interface for specifying an image category.
- Utilized an API to fetch and display images based on the user's input.

Menswear Website:

- **Github Link:** <https://atharva-deshmukh1.github.io/Mensware-Website/>
- Developed a responsive eCommerce website using HTML, CSS, and JavaScript.
- Implemented a product interaction feature where tapping on any product triggers a popup personal information form.
- Enhanced user engagement with instant feedback, presenting a confirmation message immediately upon form submission and clicking the "place order" button.
- Established a dedicated Adidas section to provide a tailored shopping experience for Adidas products, augmenting user engagement and brand visibility.

Education

Rajiv Gandhi College of Engineering Research and Technology, Chandrapur.

BTech (2019 - 2023)

- Electrical | CGPA: **8.5**

Certification

TCS iON Career Edge - Young Professional
